ACTION PLANNING
Data-Driven Instruction & Assessment

1. What are the key action steps listed in this workshop that you are going to implement in your school (which can you realistically do)?

2. Who are the key people in your school with whom you need to communicate this plan and have on board?
   a. How are you going to get them on board?
   b. What are you going to do when someone says no (what’s Plan B)?

3. Pull out your entry plan and calendar and put these actions into the school calendar and into your personal agenda/Outlook calendar.
