Grade 4: Module 4: Unit 3:
Overview
In this unit, students will be introduced to their performance task for this module, a Public Service Announcement (PSA) about the importance of voting. This unit connects students’ study of the Women’s Suffrage Movement in Units 1 and 2 to voting in the present day, specifically the issue of low voter turnout among young adults. Students will take their own steps towards being a “leader of change” and “making a difference” by creating a PSA with the purpose of educating young people about the importance of voting.

To prepare for this task, students listen to and read the transcript of a model PSA, in order to identify the purpose and criteria of their task. They also read two articles about youth voting and identify a variety of reasons why voting is important and use these texts to gather evidence to support these identified reasons. Then, students select two reasons to feature in the PSAs and begin to craft their scripts. After practicing the presentation of their PSAs and receiving feedback from their peers, they present their finalized PSAs to an audience.

Guiding Questions And Big Ideas

- How can one person make a difference?
- Voting is an important civic responsibility.
| **Mid-Unit 3 Assessment** | **Reading and Comparing New Informational Texts about Voting**  
This assessment centers on standards NYSP12 ELA CCLS RI.4.5, RI.4.8, RI.4.9, and W.4.9b. In this assessment, students will read two new informational texts about voting. They are asked to identify the structure of the texts (chronology, comparison, cause/effect, problem/solution) and compare the information in both texts. Students will use a graphic organizer to analyze how the authors used reasons and evidence to support particular points in the texts, and then answer selected response and short constructed response questions about texts. |
| **End of Unit 3 Assessment** | **Presenting a Public Service Announcement about the Importance of Voting**  
This assessment centers on standards NYSP12 ELA CCLS W.4.1, W.4.4, SL.4.3, SL.4.4, SL.4.5, SL.4.6, L.4.1 c and f, and L.4.3. In this two-part assessment, students will first draft a script for their public service announcement, then deliver their PSA verbally. In Part I of this assessment, students will write a script for their PSA. In the script, students will state their opinion about the importance of voting, with reasons supported by evidence from texts they have read during the unit. This part of the assessment will assess W.4.1, L.4.1c and f, and L.4.3a. In Part II of the assessment, students deliver their spoken PSA for an assessment of SL.4.3, SL.4.4, SL.4.5, SL.4.6, and L.4.3b and c. |
| **Performance Task** | **Public Service Announcement about the Importance of Voting**  
Students will create a public service announcement (PSA) in which they present and support their opinion in response to the following prompt: “After researching the history of voting, create a public service announcement for high school seniors about why voting is important. State your opinion and support your opinion with reasons, facts, and details from texts you have read.” (By the end of Unit 3, students will have drafted their written opinion and will have practiced and received feedback on their actual PSA.) This task centers on NYSP12 ELA CCLS RI.4.9, W.4.1, W.4.4, SL.4.3, SL.4.4, SL.4.5, SL.4.6, L.4.1c and f, and L.4.3. |
Content Connections

This module is designed to address English Language Arts standards. However, it intentionally incorporates Social Studies content that many teachers may be teaching during other parts of the day. These intentional connections are described below.

Big ideas and guiding questions are informed by the New York State Common Core K-8 Social Studies Framework:

NYS Social Studies Core Curriculum:
• 4.9.b The United States and New York constitutions describe the basic rights of people and the essential function and structure of their respective governments.
